

# Need help understanding your health insurance options?

## Then attend one of our free educational sessions on “Managing Your Health Insurance Choices and Costs in Tough Financial Times”

Sessions will be held during  
and are presented by your local Blue Cross and Blue Shield of Illinois  
‘Service in the Neighborhood’\* Community Education Representative.

### Each educational session will cover:

- Why health insurance is more important than ever
- Different types of health insurance plans available, and how they work
- What to look for in a plan – to best meet your needs, budget and stage in life
- The Do’s and Don’ts of selecting a plan
- Tips to better plan ahead for health care costs
- How to keep health care expenses under control

Whether you’re uninsured, between jobs or wondering why your current health insurance carrier doesn’t offer more options and lower premiums, **plan to attend now**. All sessions are open to the public – so you may also want to invite a family member or friend to attend.

For more information and/or questions, please contact:
